Space, serenity and the chance to do something distictively different

Yes the land is sloping - it is a huge sloping block! But with that comes bush privacy and mountain views.

Yes the land has trees - but also serenity and privacy.

This amazing block - close to all amenities (schools, shops, transport, parks) - is the blank canvas to create something truly unique and special.

The building envelope is a very generous 800sq.m with a great orientation.

You have to see this to believe it. This is that special block for the forever home.

Call into the onsite sales office (Cnr Workshops St and Stanley Court) for info and help to design that dream home.
