14 Stanley Ct, Brassall

Spectacular view and unique privacy

This is something special !!

This solid 3 bed/2 bathroom brick and tile home has the most beautiful mountain views out to the Teviot Range/Flinders Peak. The home will absolutely need some time and effort to bring it back to its former glory, but the combination of privacy and views make it unique and highly desirable.

There is a huge entertaining area for even the biggest family bbq, and there would be room to add a pool and a carport and double shed if desired. As the single garage is under roof, it could be easily converted into a large 4th bedroom .

This is a unique elevated block in an upmarket area of Brassall. It is close to shops, schools, transport, gym, and parks, and yet only a 42 minute drive to Brisbane CBD, or a 7 minute drive to the central Ipswich train station!!

This house must to be inspected to get an appreciation of what it offers.
